## Berserk vol 13 cover

© 1996-2014, Amazon.com, Inc. or its affiliates Edit This page is a compilation of all Berserk manga releases. It should be noted that in Berserk, traditional manga installments are episodes (話); i.e the ~20 page publications commonly referred to as "chapters" in other manga are called "episodes" in Berserk. Chapters (巻) are instead various segments of the story containing a range of episodes. Arcs (編) are in turn comprised of chapters, encompassing large, specific portions of the overall story.
